

PRIVREDNI ADRESAR

COMMERCIAL ADDRESSBOOK

PRIVREDNI ADRESAR GRADA PANČEVA

COMMERCIAL ADDRESS BOOK OF THE CITY OF PANČEVO

Poštovani,

Veliko mi je zadovoljstvo što mogu da Vam predstavim privredne subjekte, koji zbog svog uspešnog poslovanja u 2012. godini i broja zaposlenih predstavljaju nosioce privrednog razvoja grada Pančeva u različitim oblastima.

Pančevo je važan industrijski centar AP Vojvodine i Republike Srbije, sa dugom tradicijom trgovine, zanatstva i poslovnog udruživanja. Izuzetne uslove za razvoj poslovanja u Pančevu oblikuju povoljan geostrateški položaj, blizina tržišta, razvijena infrastruktura i raspoloživa radna snaga. Uz industriju, najrazvijenija privredna grada je i poljoprivreda.

Shvatajući mogućnosti i značaj umrežavanja u savremenom svetu, priredili smo Privredni adresar koji je pred Vama sa željom da ukratko predstavimo poslovanje najrepresentativnijih privrednih subjekata Pančeva mogućim partnerima, investitorima koji su zainteresovani za poslovanje u Pančevu, kao i krajnjim korisnicima njihovih usluga.

GRADONAČELNIK
Pavle Radanov

Dear Sirs and Madams,

It is my great pleasure to present to you our companies, which due to their successful business made in 2012 and number of staff they employ, are bearers of economic development of the City of Pančevo in different areas.

Pančevo is an important industrial centre of AP Vojvodina and Republic of Serbia, with long tradition in trade business, craftsmanship and business associating. Exceptional conditions for business development in Pančevo are shaped by favourable geographic position, vicinity of market, developed infrastructure and available workforce. In addition to industry, the second most developed economic branch is agriculture.

Understanding the possibilities and importance of networking in modern world, we have developed the Commercial Address Book which is introduced to you, wishing to present briefly business activities of the most representative companies of Pančevo to possible partners, investors who are interested in making business in Pančevo, as well as to their end users.

MAYOR
Pavle Radanov

„Almex“ d.o.o. Pančevo je privatno, porodično preduzeće, osnovano 1992. godine. U periodu od 20 godina, „Almex“ Pančevo izrasta u značajno proizvodno i trgovačko preduzeće. Primarne delatnosti „Almex“-a su poljoprivredna i stočarska proizvodnja, proizvodnja skroba, skladištenje i trgovina poljoprivrednim proizvodima, zastupanje renomiranih inostranih proizvođača poljoprivrednih mašina i transportom istih, a bavimo se i trgovinom naftnim derivatima. Dugogodišnje iskustvo, stručnost i primena najnovijih tehnologija omogućili su nam postizanje vrhunskih rezultata, a stalni kontakt sa našim poslovnim partnerima i kupcima nam omogućavaju da uvek možemo da ostvarimo njihove potrebe i želje, što nam je i glavni cilj.

“Almex” Ltd. Pančevo is a privately owned family company founded in 1992. Over the last 20 year “Almex” Pančevo has grown to be an important production and trading company. Primary business activities of “Almex” include agriculture and livestock production, production of starch, agricultural storage and trading, dealership of renowned foreign producers of agricultural machinery and transport, and we also deal with trading of oil derivatives. Long-time experience in addition to expertise and implementation of new technologies have enabled us to achieve supreme results, whilst continuous contact with our business partners and customers have enabled us to meet their needs and desires at all times, which embodies our main goal.

AD Vojvodina u restrukturiranju

HIP-Petrohemija je vodeći srpski proizvođač polimera i baznih petrohemijских proizvoda. Proizvodi polietilen niske gustine PENG-HIPTEN®, polietilen visoke gustine PEVG-HIPLEX® i sintetički kaučuk E-SBR -HIPREN® su decenijama visoko pozicionirani na zahtevnom evropskom tržištu. HIP-Petrohemiju spada među najznačajnije srpske izvoznike, čemu doprinosi i ispunjenje zahteva evropske REACH regulative. Nedavna rekonstrukcija fabrike PEVG omogućila je povećani obim proizvodnje i poboljšanu efektivnost celog kompleksa, a planirano je poboljšanje energetske efikasnosti i bolja valorizacija postojećih koproizvoda. Primena integrisanog sistema menadžmenta prema standardima ISO 9001, OHSAS 18001, ISO 14001 i ISO /IEC 17025 obezbeđuje kontrolu i unapređenje kvaliteta proizvoda, kao i svih poslovnih i HSE aktivnosti.

HIP-Petrohemija is the leading Serbian polymer and petrochemical producer. Its products Low Density Polyethylene LDPE-HIPTEN®, High Density Polyethylene HDPE-HIPLEX® and Synthetic Rubber E-SBR -HIPREN® have been highly positioned for decades on the demanding European market. The fulfillment of the requirements of European REACH regulations contributes to categorizing HIP-Petrohemija among the most important Serbian exporters. The recent reconstruction of the HDPE plant has enabled the increased production and improved effectiveness of the whole complex. There are also plans for better valorization of the existing co-products and energy efficiency improving. The implementation of the integrated management system according to the standards ISO 9001, OHSAS 18001, ISO 14001 and ISO /IEC 17025 provides the control and improvement of product quality and all business and HSE activities.

NIS Gasprom Njeft - Rafinerija nafte Pančeve

Kompanija NIS se bavi istraživanjem, proizvodnjom i preradom nafte i gasa, prometom naftnih derivata i realizacijom projekata u oblasti petrohemije i energetike. U Srbiji poseduje prerađivački kompleks sa dva pogona u Pančevu i Novom Sadu, zatim pogon za proizvodnju TNG-a i mrežu benzinskih stanica u Srbiji i u zemljama u regionu. Glavni strateški cilj NIS-a je da do 2020. godine postane najefikasnija, brzorastuća energetska kompanija u balkanskom regionu, održavajući lidersku poziciju na tržištu Srbije.

NIS Company performs oil and gas exploration, production, and refining, sales and distribution of petroleum products, and implementation of petrochemical and energy projects. In Serbia, NIS owns a refining compound, with two units, one in Pancevo and the other in Novi Sad, an LPG production unit, as well as a network of petrol stations in Serbia and the neighboring countries. The main strategic goal of NIS by 2020. is to become the most efficient, fast-growing energy company in the Balkans, while maintaining the leading position on the Serbian market.

Kompanija "Danijela Commerce" već dvanaest godina posluje u Srbiji. Uspešno je pozicionirana kao zastupnik i distributer brendova vrhunskog kvaliteta i povoljnih cena: Golden Rose, Roxanne, Trisa, Beauty, Miss Magic, Elea... "Danijela Commerce" je danas partner brojnih respektabilnih trgovackih lanaca, parfimerija, apoteka, marketa, modnih agencija, medijskih kuća televizija, frizerskih salona, kao i mnogobrojnih potrošača širom Srbije. Poznata je kao ekskluzivan distributer Golden Rose dekorativne kozmetike, turskih proizvoda koji su po kvalitetu bliski vrhunskim kozmetičkim markama, ali su krajnjim korisnicima dostupni po daleko nižim cenama. Ova kompanija ekskluzivno zastupa i Roxanne proizvode, verne kopije poznatih parfema, koji se proizvode u sestrinskoj firmi Erte cosmetics. "Danijela Commerce" od samog početka zastupa bugarsku kompaniju Solvex i njene brendove MM Beauty farbe za kosu, Miss Magic farbe za kosu i kreme za negu lica, tela, ruku i nogu, Elea profesionalne farbe za kosu, kreme za lice, ruke, noge, kao i seriju proizvoda za depilaciju. Od januara 2013. godine Danijela Commerce je dobila ekskluzivno zastupništvo za švajcarski brend Trisa (četkice i paste za zube, asesoari i četke za kosu).

The Company "Danijela Commerce" has operated in Serbia for more than twelve years now. It is successfully positioned as a dealer and distributor of high quality brands at favourable prices: Golden Rose, Roxanne, Trisa, Beauty, Miss Magic, Elea etc. "Danijela Commerce" is partner to numerous respectable trade chains, perfumeries, pharmacies, markets, fashion agencies, media companies and televisions, hair salons, as well as a number of customers across Serbia. It is well-known as an exclusive distributor of Golden Rose decorative cosmetics - Turkish products close in quality to top brands, whilst being available to end users at much lower prices. This company is also the exclusive distributor of Roxanne products, true copies of famous perfumes produced in the sister company Erte cosmetics. From its foundation onwards "Danijela Commerce" has represented the Bulgarian company Solvex and its brands MM Beauty hair dyes, Miss Magic hair dyes and facial, hand and leg care creams in addition to a series of waxing products. As of January 2013 "Danijela Commerce" obtained the exclusive right to represent the Swiss brand Trisa (tooth brushes and pastes, accessories and hair brushes).

 Elektrostar je osnovan 7. juna 1995. godine, kao samostalna trgovinska radnja. Kao osnovna delatnost od početka je bila trgovina elektromaterijalom i opremom. U početku maloprodajom, a nešto kasnije i veleprodajom. Elektrostar je proširio broj svojih kupaca širom Srbije. Danas, Elektrostar ima preko 26 zaposlenih radnika u veleprodaji i u tri maloprodajna objekta. Oni dnevno usluže u proseku 500 zadovoljnih mušterija. Doslednost u politici firme od samog osnivanja je da cena, kvalitet robe kao i zadovoljni kupci, moraju biti naša najbolja reklama. Ovakva poslovna politika je doprinela da Elektrostar danas bude jedna od vodećih firmi u oblasti elektromaterijala u širem regionu, a samim tim i u Srbiji.

 Elektrostar company was founded on 7th June 1995, as an independent trade shop. Our primary business since the very beginning was trading in electrical material and equipment. We started with retail trade but later we developed a whole sale as well. Elektrostar has increased the number of clients all over Serbia. Today Elektrostar engages over 26 employees in wholesale and three retail trade shops. They tend to serve more than 500 satisfied customers a day. The fact that the price, quality and satisfied clients make the best commercial has always been a matter of consistency for our company. This business policy has made Elektrostar one of the leading companies in the field of electric materials in Serbia and the region.
